

A wide-angle photograph of NASA's Perseverance rover on the surface of Mars. The rover is positioned in the center of the frame, facing slightly to the right. It has six large, treaded wheels and a complex mast with various cameras and sensors. The background shows a vast, flat, reddish-brown landscape under a hazy, orange sky. A white horizontal line with a dot in the center is overlaid on the image, passing through the rover's mast.

SEARCH FOR SIGNS

NASA's Perseverance rover lands in Jezero Crater, equipped with advanced scientific instruments to search for signs of ancient life and collect samples for future return to Earth.

I would like to die
on mars.

Just not on Impact

-Elon Musk
